To the prospective employers of Mr. Daniel Simpson,

Please allow me the opportunity to introduce you one of our outstanding Firefighter/Paramedics, Mr. Daniel Simpson. Dan joined the Boca Raton Fire Rescue Services Department in 1981 and completed 22 years of outstanding service to the citizens of Boca Raton. He has retired and is pursuing future career goals.

During his tenure with the department, Dan had become one our members that that had earned the respect of the administrative staff, the City, and most of all, the community. He had received numerous awards for outstanding service and community service. Some of the awards that he had earned include the City's "Value Award", "Community Service Award", and the "Broward County Schools Volunteer of the Year Award."

Dan is a family oriented man with a tremendous love for his profession. He pursued several career goals through education. He obtained his Firefighter, Emergency Medical Technician, and Paramedic certifications through the State of Florida. In addition, in 1992, Dan graduated from nursing school and became licensed as a Florida Registered Nurse.

In summary, I have had the honor and privilege of not only working with Dan Simpson for over twenty years, but being a friend as well. I consider him a dedicated individual, as well as an individual that possesses the highest professional ethics and personal values. I would highly recommend Dan for consideration for future employment in your agency. Please feel free to contact me at any time for a more specific reference.

Respectfully,

A handwritten signature in cursive script that reads "Daryl L. Scott".
